SCHEDULE OF CURRENT EMPLOYEES

Name	Training Program	Date of Hire

* Where the contractor complies with the requirement of employing a trained and qualified workforce based on the contractor's prior work with the weatherization program for the previous three years, each employee should still be listed, and under Training Program, the employee's date of hire and any training program that the employee has received should be listed.

**If bidder is a small business bidder, the bidder does not need to fill out this form. However, the bidder must provide a qualified workforce compliance plan which will indicate (please provide on a separate piece of paper) **

1. Names and dates of hire for all current employees that will be performing under the contract
2. Estimated number of crew labor and crew supervisor hours to be worked during the course of the contract.
3. Estimated number of new jobs created (expressed in Full Time Equivalent (FTE) positions, number of labor hours divided by number of hours in a work week) during the course of the WAP contract; and
4. The process by which any new hires will be selected.
